## Bateson 48Lt livestock

Model 48LT is a our largest Livestock Trailer fitted with Land Rover size 16" wheels. We do not make larger models for safety and legal reasons. This trailer loaded with livestock could exceed the 3500kg maximum gross weight that can be towed by a 4 x4. A larger trailer, particularly if fitted with three axles, would weigh much more and would have a corresponding reduction in payload.

<b>Width</b>	2270	<b>Length</b>	5000
<b>Height</b>	2320		

Information about this item above is provided by **Court Farm Garage** for guidance. Should you have any questions please do not hesitate to contact the garage.
