Bateson 160V

£ 4,100

Plus VAT

8' x 4' x 5' Lightweight twin axle van trailer The 160V is the smallest trailer with brakes, with twin axles and 10" wheels it provides a very smooth ride, ideal for use with medium size cars. Standard equipment includes a locking coupling, spare wheel and carrier, and our ingenious coupling mirror, which allows the hitch to be seen during coupling to eliminate misalignment and damaged bumpers

Width	1780	Length	3750
Height	1900
