Böckmann Used Portax K 2022

£ 10,500

No VAT

The new Portax K horse trailer redefines the concept of added value by offering a front exit, allowing for easy handling and access to the interior tack locker. The extra space in front of the horses provides a unique room layout that ensures the safety and comfort of both the horses and the handler. With the larger door and man-high entrance, accessing the tack locker has never been easier or more convenient. The trailer is designed with the ultimate convenience and safety in mind, making it ideal for transporting your horses with ease. The interior tack locker of the Portax K is optimally configured to maximize space and functionality. With the ability to access the tack locker from both inside the trailer and through the man-high entrance door, you can easily store and retrieve all necessary equipment for your horses. The added convenience of this feature makes preparing for your travels hassle-free and efficient. The thoughtful design of the interior layout ensures that every aspect of the trailer is designed with the comfort and convenience of both the horses and their owners in mind. In addition to the innovative front exit and interior tack locker, the Portax K is equipped with top-of-the-line features that enhance safety and performance. The World Class "WCFplus" chassis provides superior stability and durability, ensuring a smooth and secure ride for your horses. The MSS safety stall bar system

and rear ramp/door further enhance the safety and ease of loading and unloading your horses. The Portax K is a game-changer in the world of horse trailers, offering unparalleled quality and functionality for both the horses and their handlers.
