Böckmann Champion

£ 8,500

With an anodised aluminium superstructure is very robust and durable. Equipped for daily use. The standard highlights such as the Multi Safe System (MSS) safety stall bar system, the solid quality full aluminium floor or the tack room in the polyester bow meet the highest demands of horse and rider. However, all this efficiency does not affect the style - the unique design is appealing from top to bottom and leaves a lasting impression wherever you go.
