## Böckmann Used Grand Master

**£ 14,500**

**No VAT**

High class: With an internal length of 3900 mm and an internal width of 1750 mm, the Grand Master SR places special emphasis on a large space and a great design. The trailer has exclusive features such as LED interior lighting switchable from white to blue, aluminium rims, sliding windows and a roof vent. Special highlights are the variable centre post partition wall and the walk-in saddle room, which is accessible from the inside through a man-high door
